Send Case Me

About Helen

I have been doing Mobile & Web development for the past 10+ years, I have plenty of experience and a great eye for software development.

I had already completed all job perfectly on and I have many experience of developing mobile app and back end communication server building, etc.

I am able to offer competitive prices and deliver great work.

About Helen

I have been doing Mobile & Web development for the past 10+ years, I have plenty of experience and a great eye for software development.

I had already completed all job perfectly on and I have many exper-ience of developing mobile app and ba-ck end communication server building ,etc.

I am able to offer competitive prices and deliver great work.

---

01 按鈕位置變化

※設計
切換到手機板時，
將註冊/登入按鈕移
到上方。

※目的
以便凸顯Send Me
Case的功能，也不會
使版面因為太多按鈕
而顯得擁擠。

02 行動版幻燈片

※設計
手機板的幻燈片，
可以用手指左右滑動
就切換幻燈片的圖片
及連結。

※目的
方便切換幻燈片，不
用一定要點左右的
button才能切換。
